Hi Brian,

Updating you that the HOPE HET team followed up at the location again today. Teams only saw trash, shown in the photos but no homeless individuals in the areas. Please see the attached photos.

Hi Brian,

Homeless Engagement Team (HET) followed-up at the site today. HET stated that there was no sign of an encampment at the address listed below. I spoke with Roz over the phone and she stated that the property has its own private cleaning company and that they might have cleaned the area where the encampment was once located.

I requested to have the team follow-up again tomorrow to see if they encounter the encampment.

Thanks.

Hi Krista,

We can definitely help. We will have LAHSA engage the individual or individuals living there ASAP and also schedule rapid response. When is your district's next CSLA day?

As far as patrol resources, that's a call for Captain Setzer. We don't normally deploy patrol units out of the UHRC, but we do work closely with the divisions.

Please let me know if you have any more questions. We'll also make sure to connect with Roz.

Thanks.

Brian
